Dear Howard Baker,

The President has made a superb choice for a new Chief-of-Staff. Hurrah for you, the President and our great country!

I was so elated, when I heard the news of your appointment, I jumped with joy and for joy. She must be very proud of you. Senator Dirksen would also have been.

You are such a decent, honorable and congenial gentleman. A real class act.

Although I'm a native Ohioan and have lived here all of my life I have followed your career with great interest and admiration.

I was disappointed when you left the Senate but was happy you were going to seek the presidency.

The President needs your strengths, candor, respect and intelligence. You are the epitome of a government official and will serve us well.

My congratulations and prayers to you and your family.

With your ability, keen insight and calm demeanor, at the helm, I know we're going to get out of this entangled affair.

Who knows — this might be the event that catapults you into the presidency.

You will and have one hundred percent support from me.

Very sincerely,

The Honorable Howard H. Baker, Jr.
Chief of Staff
THE WHITE HOUSE
Washington, DC

Dear Senator Baker,

You don't know me. I am your biggest fan and admirer and have been for years.

As one of the members of this country I thank you for taking the job of Chief of Staff to President Reagan.

However, it has been my dream (and the dream of millions of others) that you would be taking the job of President. I realize that your decision to take the job was not only admirable but also necessary. Besides being the most honorable thing to do it can be the wisest move that you could have made.

The moment you were to make your announcement to run for President I was planning to drop most everything and work for "Howard Baker for President". There are millions of Americans like me that would still like to rally behind that banner.

The word is out that because of your new position you will not be running for President. This is disheartening. This is a mistake. I believe we can "have our cake and eat it too".

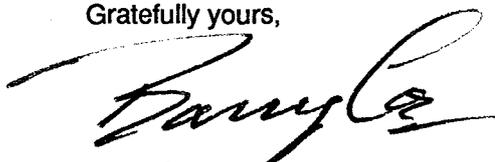

Your new job is going to take at least 200% of your time - I think you can take that handicap and turn it into the most dynamic "position" in which to run for President of the United States

After you get things stabilized at the White House I would like you to consider the following: "**Running the Country during the week - Running for the Country on weekends**". Being a "weekend Warrior" would have a great appeal. "WE" will do the work *for you* during the week.

I know it is asking an incredible amount from you but please give this possibility your deepest consideration. You are too valuable of an asset to this country not to become our President. "**We the People**" really need **YOU** and will give you 200% of our time and support.

Put me at the top of the list of your supporters and please let me know if there is anything that I can personally do.

Gratefully yours,

Barry Coe

Dear Mr. Baker:

You probably will not get a chance to read my letter and even worse you may not be even be briefed - I am sure you must receive literally hundreds of letters from individuals and it is humanly impossible for you to read them all.

Anyway, I have had great respect for you since I have heard and seen you on television when you were the Senate majority leader during the Watergate hearings. Although I have not read your biography (if there is one), I have trusted you as a man of personal integrity. I was all set to vote for you if you were going to ~~run~~ ^{not} run for the Presidency 😊! Well, now that you have decided ^{not} to run, I will have to think twice. I did vote for President Reagan two times. I did and probably do trust him as an honest and sincere President and individual. I do know that sometimes the media can and might exaggerate certain issues. But the fact remains that some serious errors were committed.

I am very pleased that the President was advised to seek your help to restore the credibility in the office of the most powerful man and office in the entire world. That is of course a tremendous responsibility that is given to you

People ~~are~~ ^{are} no doubt going to be curious as to how as the Chief of Staff you are going to run the show. Hope you have selected, and are surrounded by honest, credible, humble and sincere men and women.

I am originally from India. The United States is my adopted country since 1973. I can still say that this is still the most blessed country in the world.

I hope you will be a risk taker, and maintain your ideals and principles which you have had in the past. Power and Prestige has corrupted men (and women?) historically. I know you will be one of the exceptions. Like many Americans, I was very relieved to see you take charge as Chief of Staff of the White House.

I do not know your religious or faith convictions but my prayer for you has been this (which I pray for myself also)

Psalms 25:21. Assign me Godliness and Integrity as my body guard, for I expect You to protect me and (I will add the word) guide me - from the Living Bible

I wish you God's blessings to give you wisdom in all the decisions you make -

I may never see you in person, but you can be rest assured that you have a level admirer, who has faith in your personal integrity.

Thank You,
Sincerely
(Mrs) Vimala Philipose Ph.D,
Rov

DEAR SEN. BAKER,

FIRST OF ALL I WOULD LIKE
TO CONGRATULATE YOU ON YOUR
APPOINTMENT OF CHIEF OF STAFF,

MY PERSONAL OPINION IS THAT
THEY PICKED THE BEST QUALIFIED
MAN FOR THE JOB.

THE PRESS HAS GIVEN YOU SOME
GOOD PRINT WHICH YOU HAD COMING
TO YOU ANYWAY.

I HAVE TO AGREE IF ANYONE
CAN PUT THIS IRAN/CONTRA AFFAIR
BEHIND THE PRESIDENT YOU CAN.

MY OPINION IS THAT THERE MAY
HAVE BEEN SOME MISTAKES ALONG THE
WAY BUT THE PRESIDENTS INTENTIONS

2

WAS THAT OF OBTAINING THE
FREEDOM OF AMERICANS HELD BY
A GROUP OF SUB-HUMANS.

IF IN THE SAME SITUATION I
WOULD HOPE MY PRESIDENT WOULD
TAKE THE INTEREST OF MY FREEDOM
SOLELY BECAUSE I WAS A FELLOW
COUNTRYMAN AND TAKE WHATEVER MEASURES
HE DEEMED NECESSARY.

NOW GETTING ON TO THE THRUST
OF THIS LETTER THAT BEING OF
YOUR INTENTIONS OF THE UPCOMING
PRESIDENTIAL RACE.

I'VE READ WHERE YOU HAVE
ERASED YOUR THOUGHTS OF RUNNING,
I HOPE YOU RECONSIDER, NOT ONLY
CAN YOU SAVE THE PRESIDENTS CREDIBILITY
BUT YOU MAY ALSO SAVE THE REPUBLICAN
PARTY. QUITE A LOAD FOR ONE MAN
TO CARRY BUT LIKE I SAID BEFORE

3

you have THE QUALIFICATIONS -
PLEASE dont WASTE THEM.

IF AT All possible I would
like TO HEAR FROM YOURSELF THE
REASONS YOU HAVE TAKEN YOURSELF
OUT OF THE RUNNING.

IT HAS BEEN ALMOST TWO YEARS
SINCE I LAST WROTE YOU AT THAT
TIME YOU WERE WITH A PRIVATE LAW-
FIRM AND IN CHARGE OF THE
REPUBLICAN MAJORITY FUND.

I HOPE THIS LETTER FINDS YOU
AND THE FAMILY IN GOOD HEALTH AND
GOOD LUCK IN YOUR NEW ENDEAVOR.

FOR IMMEDIATE RELEASE

President Reagan names Vern McCarthy
to Highway Safety Advisory Committee

OAK BROOK, IL (8 Jan. 1986)--President Ronald W. Reagan has announced the appointment of Vern I. McCarthy, Jr., Oak Brook, Illinois, to the National Highway Safety Advisory Committee, U.S. Department of Transportation, Washington, D.C. for a three-year term.

The National Highway Safety Advisory Committee, numbering thirty-five, was created to communicate public concern with national highway safety to the National Highway Traffic Safety Administration, Department of Transportation. Committee members represent Federal officers, State and local legislators, associations and organizations affected by highway safety, safety research groups and the general public.

Appointment to a federal advisory committee is an authority that rests with the President under an Act of Congress. Federal advisory committees, referred to as the 'fourth arm of government,' provide advice, counsel and recommendations on matters directly related to the activities of various federal agencies. Secretary

of Transportation Elizabeth Hanford Dole will swear in the newly appointed committee members in early 1986.

McCarthy, former owner of Vulcan Containers, a manufacturer of chemical shipping containers, has previously served as an officer and director of numerous chemical, container, hazardous materials and packaging associations. He is a member of the National Defense Executive Reserve, Federal Emergency Management Agency, Washington, and at one time was a consultant in the U.S. Department of Commerce, Washington. In 1984 he founded the Mid America Institute for Public Policy Research as the first free market "think tank" in the Chicago area. The Institute engages academics and scholars to critique proposed or enacted legislation and regulations.

McCarthy has been an officer and director of the Bank of Bellwood and Westlake Community Hospital, Melrose Park, Illinois. Now President of Vern McCarthy, Ltd., he has resided with his wife and family in Oak Brook since 1968.
