Dear Mr. Adams:

Thank you for the recent letter from you and your colleagues requesting my assistance with a matter before the Federal Reserve Board affecting the State of Tennessee. As you may know, Governor McWherter has also written to me enclosing a copy of your letter.

While I certainly appreciate your taking the time to bring these concerns to my attention, I hope you will understand that the White House seeks to guarantee the independence of the Federal Reserve Board as it carries out its very important charge of administering and making policy for the Nation's credit and monetary affairs.

Please know that I have forwarded your letter and the Governor's to the Federal Reserve Board for their benefit and direct response to you.

With best wishes,

Sincerely,

Howard H. Baker, Jr.
Chief of Staff to the President

Dear Jim:

Thank you for your letter of May 6 inviting me to be guest speaker at a future fundraiser in Tulsa. I apologize for the delay in responding.

Although I'm honored by your request, I must send a disappointing response. The demands of my schedule won't permit me to do any out-of-Washington campaign events. However, if you would like, I'd be delighted to lend my name for use on your invitation or for designation as a special invited guest.

I especially appreciate your kind words of encouragement. It is an honor for me to serve this President and your support means a great deal to me.

Warmest regards.
