**CORRESPONDENCE, WHITE HOUSE OFFICE OF: PRESIDENTIAL MESSAGES:
Records, 1981-1989**

This collection is a unit of the White House Office of Correspondence. The Library is treating this unit as a separate collection.

The Presidential Messages unit was responsible for generating the printed messages from the President sent out to non-profit organizations, business, volunteer groups, fraternal organizations and community groups commemorating specific anniversaries or events in the life of the organization. This included only these print messages. Taped messages from the President were handled by the Office of Media Relations and material on the taped messages can be found in that collection.

The Library's material for this office consists of copies of programs, reports, newsletters and magazines from requesting organizations. They contain the printed copy of the President's message. The material is from 1987-1988. If the request was part of White House Office of Records Management Subject File case file, this is included with the folder title. In addition, the Library has one box of IBM Displaywriter Diskettes for this unit. The Library is currently unable to print out or access any of these diskettes.
