**COUNSEL TO THE PRESIDENT, WHITE HOUSE OFFICE OF: JUDICIAL  
SELECTION FILE: Records, 1981-1989**

**Scope and Content Note**

The Judicial Selection Files consist of a filing system originated and maintained by the Counsel to the President Office primarily for the first Reagan Administration. These files contain information on judicial, United States Attorney and United States Marshal candidates. The material was filed at the White House by numbered Appeals Courts, and U.S. District Courts alphabetically by state. The Library has maintained this filing arrangement including the often empty folders marking the states and districts. Similar records on these type of candidates from the second administration are maintained in individual collections of Counsel's Office staff members, particularly [Alan Raul](#) and [Patricia Mack Bryan](#).

This collection also includes a small set of subject file and miscellaneous information on judicial selection which covers all eight years.

The Judicial Selection File is arranged in four series. They are: SERIES I: U.S. Courts of Appeals, 1981-1984; SERIES II: U.S. District Courts, 1981-1984; SERIES III: Other Courts, 1981-1984; and SERIES IV: Judicial Selection, 1981-1989.

**SERIES I: U.S. COURT OF APPEALS, 1981-1984 (3.5 l.ft.; Box 1-8)**

This series consists of material regarding candidates for the U.S. Courts of Appeals. It contains recommendations and correspondence from Congress, fellow attorneys, judges and the general public on potential candidates; resumes; Department of Justice material on candidates; routine clearance processes for potential nominees and news clippings. The files are arranged by each numbered court circuit, then alphabetically by last name.

**SERIES II: U.S. DISTRICT COURTS, 1981-1984 (15.9 l.ft.; Box 9-45)**

This series consists of material regarding candidates for the U.S. District Courts, United States Attorneys, and United States Marshals. It contains recommendations and correspondence from Congress, fellow attorneys, judges and the general public on potential candidates; resumes, Department of Justice material on candidates; routine clearance processes for potential nominees and news clippings. The files are arranged alphabetically by state, then by court district and position, and subsequently alphabetically by last name. Empty file folders with the name of the

state and district were used at the White House as filing organizers for this series. You will find these throughout this series marked as “Empty” folders.
