GREGORSKY, FRANK: Files, 1985

Office of Public Affairs, 1985

SCOPE NOTE:

The Library placed this collection in the White House Office of Public Affairs based on the documentary evidence in Frank Gregorsky's papers and records held at the Library. All administrative records held at the Reagan Library indicate that Mr. Gregorsky worked in the Office of Public Affairs, with the exception of a single White House Office of Records Management memorandum identifying Gregorsky as a staff member in the Office of Patrick Buchanan. Mr. Gregorsky's papers show he produced work for both the Office of Public Affairs and for Mr. Buchanan, including drafts of personal letters for Mr. Buchanan and many memorandums addressed to him. Patrick Buchanan was the Director of the Office of Communications, overseeing several offices including the Office of Public Affairs.
