LENCZOWSKI, JOHN: FILES, 1983-1987

European and Soviet Affairs Directorate

Mr. Lenczowski served in the United States State Department from 1981-1983 and then joined the National Security Council Staff as the Director of the European and Soviet Affairs Directorate. He brought much of his State Department documents with him to the National Security Council for further use and background information.

The Library has arranged his material to reflect these two different sources of information. His collection consists of two series. The first series is Lenczowski's National Security Council Files arranged in two subseries: Subseries A: Subject File and Subseries B: Chron file. The second series consists of Lenczowski's Department of State records arranged in four subseries: Subseries A: Subject File; Subseries B: Background File; Subseries C: Filing and Subseries D: Chron File.
