LILAC, ROBERT H.: Files, 1983-1984

Political-Military Affairs Directorate, NSC, 1982-1983

United States Air Force Colonel Robert Henry Lilac was detailed to the National Security Council staff on April 19, 1982. His job responsibilities included security assistance for foreign countries and overall arms transfer policies.

Biography

Prior to assuming his NSC position, Colonel Lilac served in a wide range of positions in the Air Force. After entering the service as a Second Lieutenant with the National Security Agency, he trained as a jet fighter pilot and served in Arizona and Nevada. He served three years in the United Kingdom, then flew two tours of duty in Vietnam. He attended the USAF Aerospace Research Pilot School from 1967-1968, where he was trained as both a test pilot and space research pilot. He served tours as a military advisor in Saudi Arabia, requirements division chief at Headquarters Tactical Air Command, and Commander of an Air Force A-10 Fighter Squadron prior to assignment to the Pentagon as Chief of Air Force International Programs for Saudi Arabia from 1979-1981. After serving as USAF representative on the 1981 sale of AWACS to Saudi Arabia, he was assigned as Deputy Director for Policy, USAF International Programs until his selection to the NSC staff.

Colonel Lilac served as the National Security Council Director of Political-Military Affairs working under NSC Deputy Director Donald R. Fortier. Oliver North, Richard T. Childress, and Philip A. Dur served as his Deputy Directors. On January 1, 1984 Lilac retired from the USAF and left the NSC to become Vice-President of American Marketing and Consulting Inc., retired Major General Richard V. Secord's company. Lilac later became a subject of the Iran-Contra investigation because American Marketing and Consulting bought a cargo plane for the anti-Sandinista Nicaraguan contras.

Collection Scope and Content

The Robert Lilac collection consists of memos, correspondence, cables, intelligence reports, military publications, Presidential Determinations, and budgets dating from 1980-1984. Topics include foreign military sales, arms transfers, technological transfer, foreign travel and visitors, diplomatic missions, and security assistance. Most materials dated from 1981 to April 1982 were actually the work product of Robert Kimmitt. Lilac took over the arms transfer duties from Kimmitt, so many of Kimmitt's arms transfer country materials were maintained and combined with Lilac's. Kimmitt remained involved with arms transfer, even though the "official" duties were transferred to Lilac. All of the arms transfer files seemed to have been consolidated into Lilac's collection, except for some 1981 files which can still be found in Kimmitt's collection. Pre-1981 documents were used as reference material, but were not products of Kimmitt's or Lilac's. The Lilac collection is arranged in six series: Arms Transfer: Country File, Arms Transfer: Subject File, Technological Transfer File, McFarlane/Fairbanks Mission Cables, Chronological File, and Administrative File.

SERIES I: ARMS TRANSFER: COUNTRY FILE, 1981-1983
(14.15 l.ft.; Boxes 1-13 [90326-33, 90335-37, 90339])

The Arms Transfer Country File mostly consists of cables, but also includes Presidential Determinations, copies of Secretary Shultz's Evening Reports, memos regarding possible section 36 (b) statements for foreign military sales and other arms transfer memos dating 1980-1983. Some of the material does not deal directly with arms transfers, but with other types of assistance, such as humanitarian assistance and foreign travel or visits. For more 1981 arms transfer documents, please see Robert Kimmitt's collection. Lilac took over the arms transfer files from Kimmitt, but some files for 1981 remain in Kimmitt's collection. Documents that pre-date 1981 in this series were used for reference purposes and were not Lilac's or Kimmitt's work product. This series is arranged alphabetically by country (sometimes by region or location) and then chronologically.

SERIES II: ARMS TRANSFER: SUBJECT FILE, 1981-1984
(9 l.ft.; Boxes 13-20 [90321-25, 90369, 90334, 90338], and RAC Box 23)

The Arms Transfer Subject File consists of memos, correspondence, cables, military publications, and budget reports for security assistance dating 1980-1984. It is arranged alphabetically by subject and then chronologically. Documents that pre-date 1981 are not Lilac's or Kimmitt's work product, but were used for reference purposes.

SERIES III: TECHNOLOGICAL TRANSFER FILE, 1981-1983
(.4 l.ft.; Box 20 [Box 90321])

This series consists of memos, correspondence, cables, publications, and reports relating to the export/import of technology to and from foreign countries. It is arranged alphabetically by county (with the exception of a "General" file) and then chronologically.

**SERIES IV: MCFARLANE/FAIRBANKS MISSION CABLE FILE, AUGUST 1983-
NOVEMBER 1983 (.5 l.ft.; Boxes 20-21 [Box 90321])**

This series consists of cables relating directly or indirectly to the McFarlane/Fairbanks Mission. It is arranged alphabetically by destination or origination of the cable and then chronologically.

SERIES V: CHRONOLOGICAL FILE, APRIL-DECEMBER 1983
(.7 l.ft.; RAC Boxes 21-22)

The chronological file consists of memos, correspondence, and notes from Lilac regarding his work in arms transfer and security assistance. It is arranged chronologically.

SERIES VI: ADMINISTRATIVE FILE, 1982-83
(.25 l.ft.; RAC Box 22)

This series consists of instruction books, phone lists, and call records in general, in addition to memos and forms relating to Lilac's travel. It is arranged alphabetically by subject and then chronologically.
