MALONEY, PATRICK: Files, 1981-1983

Correspondence, White House Office of, Writer/Editor and Clerk

Mr. Maloney was hired in October, 1981 as a part-time writer and editor for the Special Letters Response unit of the Office of Correspondence. In 1982, he was promoted to a full-time Clerk working for Robert Anderson. He appears to have been responsible for automation issues, equipment and supplies maintenance and possible upgrades and changes in use of automation. This small collection of his memos reflects these topics.
