

**EXECUTIVE SECRETARIAT, NATIONAL SECURITY COUNCIL: COUNTRY FILE:
Records, 1981-1985 – REAGAN LIBRARY COLLECTIONS**

Material noted **in bold** within this collection is currently available for research use. If a folder is available for research use it may still have withdrawn material due to Freedom of Information Act restrictions. Most frequent withdrawn material is national security classified material, personal privacy, protection of the President, etc. Any non-bolded folder is closed for research.

The non-bolded folders are subject to Freedom of Information Act (FOIA) requests under the provisions of the Presidential Records Act (PRA).

If you are interested in submitting a FOIA request for access to any of the unavailable records or have any questions about these collections or series, please contact our archival staff at 1-800-410-8354, outside the US at 1-805-577-4012, or email reagan.library@nara.gov

**EXECUTIVE SECRETARIAT, NATIONAL SECURITY COUNCIL: COUNTRY FILE:
Records, 1981-1985**

The following material consists of a subseries of the Presidential Acquisitions (PA) series of the National Security Council Executive Secretariat. For your convenience we have listed it as a separate collection. We are providing both the folder title and the box location for these items. When submitting a Freedom of Information Act request for this material, please cite the folder title and the box number.

The Library has arranged the material within the five geographical regions as it was filed at the NSC. In 1983, the NSC reorganized and created five geographical directorates from the old Political Affairs Office. Although there is not a direct link between these geographical directorates and the Country files per se, we have named the Country file geographic regions after these five directorates. We have also provided the old Country file geographic region names for your information. By naming the regions in this way, we hope to guide researchers to further information on their topic in the second administration, when this filing system was no longer used.

The five directorates are as follows: Africa, Asia [Far East], Europe and Soviet Union, Latin America, the Near East and South Asia [Middle East]. Please check with your assigned archivist to determine the exact geographical directorate location of your country of interest. For instance, Canada is located within Europe and Soviet Union and Egypt is within the Near East, etc.
