SECURITY DECISION DIRECTIVES (NSDD): Records, 1981-87**

The following folders contain the Library's copies of National Security Decision Directives (NSDDs) enacted during the Reagan Administration. Our folders often contain drafts, action plans, and background memos regarding the various NSDDs. The NSC has declassified in full and in part many of these NSDDs. The declassified and partially declassified copies of these NSDDs are kept in the Library's Research Room in numerical order. If a subject is listed after the NSDD, a copy can be found in our Research Room or we have processed and made available the Library's copy.
