PAYLAN, ELISE: Files, 1986-1987

Public Liaison, White House Office of

Elise Paylan began working at the White House Office of Public Liaison in January 1986. She was part of the Economic Division covering business and trade. During the first six months she was an assistant to Merlin Breaux. After Breaux left the White House, she reported to Donald Danner. Paylan left the Office of Public Liaison in August 1987. As of this date, her collection is small relative to her time at the White House. It is possible the Library will locate more of her work product after preliminary arrangement of the Danner collection. In addition, her work product can be found in the Merlin Breaux and Todd Foley collections

The Paylan collection consists of two series: **SERIES I: Subject File** and **SERIES II: Correspondence**. It was necessary to add a box to this collection after the arrangement was completed. It is Box 1F of the Paylan collection.
