

PRESIDENTIAL PERSONNEL, OFFICE OF: Records, 1981-1989 – REAGAN COLLECTIONS

Material noted **in bold** within this collection is currently available for research use. If a folder is available for research use it may still have withdrawn material due to Freedom of Information Act restrictions. Most frequent withdrawn material is national security classified material, personal privacy, protection of the President, etc. Any non-bolded folder is closed for research.

The non-bolded folders are subject to Freedom of Information Act (FOIA) requests under the provisions of the Presidential Records Act (PRA).

If you are interested in submitting a FOIA request for access to any of the unavailable records or have any questions about these collections or series, please contact our archival staff at 1-800-410-8354, outside the US at 1-805-577-4012, or email reagan.library@nara.gov

PRESIDENTIAL PERSONNEL, OFFICE OF: Records, 1981-1989

The following Container List is a result of a preliminary arrangement done by the Library in 2000.

A brief description of the series follows:

SERIES I: OFFICE FILES (31 l.ft.)

This series consists of general material from Presidential Personnel (PPO) records and some material transferred from existing Pendleton James and Helene Von Damm collections. Some of this material may be moved later to more distinct series - please check with the Library or new updates of the inventory for any further changes.

SERIES II: AMBASSADORIAL APPOINTMENTS (9 l.ft.; OAs 17284-9; 18846; 19034).

This series consists of ambassadorial appointments for specific individuals arranged alphabetically by last name, specific country ambassadors and Department of State information.

SERIES III: OPM REPORTS AND FORMS (15 l.ft.; OAs 17249-59; 18849-52).

This series consists of two subseries - SUBSERIES A: Clearance Reports and Forms by Organization and SUBSERIES B: Reports and Listings. The first subseries consists of clearance reports for nominated or appointed individuals by their designated agency. The agencies each have three letter codes which we have spelled out for convenience. The second subseries consists of Office of Personnel Management reports of job openings and incumbents.

SERIES IV: PAS (PRESIDENTIAL APPOINTMENTS REQUIRING SENATE CONFIRMATION) (13 l.ft.; OAs 17237-48).

This series consists of folders of the specific individuals considered for PAS status openings within the administration. They are arranged alphabetically by last name.

SERIES V: JUDICIAL PERSONNEL (13 l.ft.; OAs 15684-86; 15677-83; 17235-6).

This series consists of three subseries - SUBSERIES A: Judicial Selection Committee Meetings; SUBSERIES B: Appointments and Openings and SUBSERIES C: Personnel Data. As a general note - all "Judicial Personnel" business during the Reagan administration also included selection of United States Attorneys and United States Marshals. The first subseries consists of agendas, decisions and candidate profiles for various meetings of the President's Judicial Selection Committee meetings. The director of Presidential Personnel was an official member of this committee along with members of the White House Counsel's Office, Department of Justice representatives, Office of Legislative Affairs representatives and various changing members from throughout the White House staff. Meeting notes within this series are for 1981-82 only. The second subseries consists of information about specific court opening and specific individuals being considered for appointment. The third subseries consists of folders about specific appointees arranged alphabetically by last name and separated by specific appointments - judicial, marshals, or attorneys.

SERIES VI: PART-TIME BOARDS AND COMMISSIONS (33 l.ft.; OAs 18232-50; 18828-31; 18219-25)

This series consists of two subseries - SUBSERIES A: Active and SUBSERIES B: Abolished and Terminated. The first subseries consists of material arranged by the specific board and the possible nominees for membership. Folders originally contained three letter acronyms for identification. We have added the full name of the board or commission to folder titles for clarity. The second subseries contains material for boards or commissions abolished or no longer active during the Reagan administration.

SERIES VII: SECRETARIAL BOARDS (4 l.ft.; OAs 17236, 17283, 18216)

SERIES VIII: POSITIONS (10 l.ft.; OAs 18226-31, 18844-5)

This series consists of material regarding positions and personnel within various departments and agencies throughout the Federal government. There is a small amount of material regarding positions/personnel for boards, commission and White House staff.

SERIES IX: LEGAL CLEARANCES (4 l.ft.; OAs 9269, 18834, 18847-48)

This series consists of original memos from the White House Counsel to the Director of Presidential Personnel notifying the Director that the clearance and certification processes have been completed for given candidate[s], and that formal nomination may proceed.

SERIES X: CONFIDENTIAL FILES (17.5 l.ft. CFOAs 770, 834, 841, 1139-1148, 1280)

This is not a true series. The sensitive material from various parts of the office had been gathered together in a secured safe, then later placed in separate boxes. At the time of processing, folders will be transferred to the appropriate collection/series such as PAS, Ambassadorial Appointments, Part-Time Boards and Commissions, etc.

SERIES XI: PUBLICATIONS (2 l.ft. OAs 3902, 9278, 19028)

This series consists of published material from various agencies and the public.

SERIES XII: PROCESS FILES (15 l.ft. OAs 18879-18888, 19035-19036)

This series consists of case files regarding individuals who sought jobs in the Administration.

Material includes PPO routing, applications, and report forms, at the front of each case file; letters of recommendation, resumes; and published works written by or mentioning the various individuals, which they themselves evidently sent to the PPO. Although the case files are intermittently arranged alphabetically, there is no overall arrangement to them.

SERIES XIII: SKC/SES CLEARANCE FILES (SCHEDULE C AND SENIOR EXECUTIVE SERVICE POSITIONS) (77.5 l.ft. OAs 18576-18599, 18600-18612, 18614-18638)

SERIES XIV: PERSONNEL FILES (112 l.ft. OAs 13521-13525, 16426-16480, 17076-17110, 17218-17234, 19031-19033, 19037-19038, 19040-19041, 18251-18252, 18523-18526)
This series consists of unofficial files kept by the Office of Presidential Personnel. These files may contain one or more of the following types of documents: Resumes, Recommendations, PPO Computer Code Sheets, Correspondence, Resume Tickets, Personal Data Questionnaires, Personnel Worksheets, and Applications (Form SF171.) Personnel Files consists of five subseries based on the different physical types of the folders which appear to be some kind of internal office coding of the Office of Presidential Personnel. Each Subseries is in alphabetical order. The Subseries are as follows: Subseries A – "Personnel" Files (Typed Titles); Subseries B – "Applicant" Files (Red Titles); Subseries C – "Resume" Files (Green Titles/Blue Dot); Subseries D – "Addenda" Files (Green Titles); and Subseries E – "Confidential" Files (Predominately Blue Titles). As of this date, the Library has been unable to determine the significance of the division of material into five separate sets.

SERIES XV: PRE-INAUGURAL MATERIAL (9 l.ft OAs 1070, 12918-12923)
This series will eventually be moved to the Ronald Reagan 1980 Transition collection and the 1980 Reagan/Bush Campaign collection. It will no longer be part of the Office of Presidential Personnel at that point. Since the material pre-dates the administration it is not subject to Freedom of Information Act requests.
