### **ROSEBUSH, JAMES S.: Files, 1981-1986**

Private Sector Initiatives, August 1981-December 1981  
First Lady, Office of the, 1982-1986

Mr. Rosebush began work for the Reagan administration, as an appointee in the Department of Commerce, in May 1981. In August 1981, he was brought to the White House as a Special Assistant to the President for Volunteers, and to set up the President's Task Force for Private Sector Initiatives (PSI). When First Lady Chief of Staff Peter McCoy left at the end of 1981, Rosebush succeeded him as the person in charge of the First Lady's office and East Wing staff. In all of Rosebush's White House roles he reported to Michael Deaver, the Deputy Chief of Staff, until Deaver left the White House in 1985.

Rosebush's collection contains telephone logs from his time at the Department of Commerce and some correspondence from his time working on volunteerism and the PSI. Given his short amount of time with these entities, we have kept all of his material together in one collection.
