### **SHOEMAKER, CHRISTOPHER C.: Files, 1981-1982**

Defense Policy Directorate, NSC, 1981-1982

A professional military officer, Christopher C. Shoemaker served on the staff of the NSC during both the Carter and Reagan administrations. He has a doctorate in political science from the University of Florida.

The Christopher Shoemaker collection consists of memos, briefings, reports, NSSDs, NSDDs, PDs, and correspondence. The material is arranged in two series: SERIES I: Subject File, 1981-82; and SERIES II: Chronological File, 1981-82.

#### SERIES I: Subject File, 1981-82 (1.8 l.ft., Boxes 1-3)

This series consists of memos, briefings, reports, NSSDs, NSDDs, PDs, and correspondence on various subjects and countries. There are some pre-1981 materials relating to President Carter Presidential Directives which were apparently used to work on NSDD 4 (The Disposition of Presidential Directives). Additionally, there are some 1980 Carter statements on SALT which were apparently used for reference. The original inventory listed a folder for CDE [Conference on Confidence and Security-Building Measures and Disarmament in Europe] but no such folder was found during the time of processing. Also, folder originally entitled “NSDDs 6 and 7 and Beyond” had no contents for NSDDs 6 and 7 (there were already separate folders for NSDD 6 and NSDD 7), but for NSDD 19 and 21, so it was split and renamed “NSDD 19” and “NSDD 21”. This series is arranged alphabetically by subject then chronologically.

#### SERIES II: Chronological File, 1981-82 (1.7 l.ft., Boxes 4-6)

This series consists of memos and correspondence from Christopher Shoemaker (occasionally others such as Bill Clark, Horace Russell, Robert Kimmitt, etc.) The beginning of each month’s folder has a document list for that month. Though originally Shoemaker’s staff numbered each letter case and organized the file according to that number, the Reagan Archives staff have

arranged the letter cases strictly chronologically and not by the number assigned.
