

THOMPSON, PAUL: Files, 1983-1985 – REAGAN LIBRARY COLLECTIONS

Material noted **in bold** within this collection is currently available for research use. If a folder is available for research use it may still have withdrawn material due to Freedom of Information Act restrictions. Most frequent withdrawn material is national security classified material, personal privacy, protection of the President, etc. Any non-bolded folder is closed for research.

The non-bolded folders are subject to Freedom of Information Act (FOIA) requests under the provisions of the Presidential Records Act (PRA).

If you are interested in submitting a FOIA request for access to any of the unavailable records or have any questions about these collections or series, please contact our archival staff at 1-800-410-8354, outside the US at 1-805-577-4012, or email reagan.library@nara.gov.

THOMPSON, PAUL: Files, 1983-1985

Executive Secretary, NSC

Deputy Executive Secretary and Staff Legal Counsel, NSC

A number of Thompson's legal folders were pulled and then sent on to various Independent Counsel investigations. No effort was made to identify this material by collection or redistribute to the Thompson collection when it was returned to Jonathan Scharfen, Legal Advisor of the NSC at the close of the Reagan Administration.

As the Library processes this Scharfen material, we will make every attempt to designate boxes containing Paul Thompson material. Currently the following boxes in the Jonathan Scharfen collection are noted for Robert Kimmitt, Paul Thompson and/or Sam Maizel material: Box 37 (91104), Box 40 (91107), Box 41 (91108), Box 58 (91653) and Box 91110.
