MEMORANDUM FOR DIANNA G. HOLLAND

FROM: JOHN G. ROBERTS *JGR*

SUBJECT: Reappointment of Sylvester E. Williams, IV
to the National Advisory Committee for
Juvenile Justice and Delinquency Prevention

Under 42 U.S.C. § 5617 the President is authorized to appoint fifteen persons to the Advisory Committee, at least five of whom shall be less than 24 years old at the time of their appointment. At least two of these five "shall have been or shall be (at the time of appointment) under the jurisdiction of the juvenile justice system." 42 U.S.C. § 5617(a)(3). No member of the Advisory Committee may be a full-time officer or employee of the Federal Government. Id. § 5617(a)(4).

On February 22, 1984, I submitted a memorandum concerning the reappointment of four of the five Reagan appointees whose terms expired on January 17, 1984. I noted that the fifth prospective reappointee -- Mr. Williams -- had not yet submitted a new PDS; Mr. Williams has now done so. I have reviewed Williams's PDS and have no objection to his reappointment. As I noted in my earlier memorandum, reappointments are authorized by 42 U.S.C. § 5617(b)(2).

Williams is still under 24 years of age, and accordingly may be counted toward fulfilling the requirement that five of the President's 15 appointees be less than 24 at the time of their appointment. (With the four previous reappointments, plus Williams, the requirement is satisfied.) There is no indication that Williams has been under the jurisdiction of the juvenile justice system, but the previous reappointments of Koppenhoefer and Rouse already satisfied that requirement.

MEMORANDUM FOR RICHARD A. HAUSER

FROM: JOHN G. ROBERTS *JGR*

SUBJECT: Prospective Nomination of Paul H. Boeker
to be U.S. Ambassador to Jordan

I have reviewed the SF-278 and related materials submitted by Paul H. Boeker in connection with his prospective nomination to be Ambassador to Jordan, and have no objection to proceeding with this nomination. Mr. Boeker is a Foreign Service Officer, and his relatively simple financial picture presents no conflicts difficulties. His background is unusual, however, in that he took a "leave of absence without pay" from the State Department from October 1981 through January 1983, at which time he was employed by International Reporting Information Systems (IRIS) of Alexandria. I raised this matter with Bill Gressman, who advised me that it was not at all unusual for Foreign Service Officers to be granted such leave, assuming that the employment they undertake while on leave does not present a conflict and contributes to their career development. Gressman confirmed that Gene Malmborg reviewed Boeker's leave and saw no problems.

MEMORANDUM FOR FRED F. FIELDING

FROM: JOHN G. ROBERTS *JGR*

SUBJECT: Reappointments to the Board of Directors
of the Federal National Mortgage Association

I have reviewed the Personal Data Statements submitted by James B. Coles, Bert A. Getz, Dianne Ingels, Merrill Butler, and James E. Lyon in connection with their prospective reappointments to the Board of Directors of the Federal National Mortgage Association. The President is authorized to appoint five of the 15 members of the Board, 12 U.S.C. § 1723(b), on an annual basis. Of the five Presidential appointees, one must be from the homebuilding industry, one from the mortgage lending industry, and one from the real estate industry. Id.

As an initial matter, it should be noted that the members of the FNMA board are not subject to Federal conflict of interest laws or regulations. This conclusion was reached in a July 10, 1970 opinion issued by then Assistant Attorney General William H. Rehnquist, and reaffirmed by this office upon the initial clearance of President Reagan's appointees to the Board. Thus, the fact that the appointees have financial interests in and associations with entities affected by the activities of FNMA is not a bar to their service on the board. Indeed, the enabling statute specifically contemplates that some of the appointees will represent segments of the economy most directly affected by the activities of FNMA.

I have no objection to the reappointments of Coles, Getz, Ingels, and Butler. These reappointments satisfy the requirements of 12 U.S.C. § 1723(b): Butler is in the homebuilding industry, and has served as President of that industry's trade association; Coles, Getz, and Ingels are in the real estate business; Getz may also be considered a representative of the mortgage lending industry by virtue of his service on several bank and mortgage company boards.

As you know, James E. Lyon, the fifth of the President's prospective reappointees, did not completely answer the PDS sent to him. By letter dated April 17, you asked him to answer fully all the questions on the PDS. I am unable to clear Mr. Lyon until we receive his response to your letter.

Mr. Robert H. Tuttle

Dear Bob:

Enclosed is my 1984 Personal Data Statement for the Federal National Mortgage Association Board of Directors.

With regard to questions 16 through 27, let me state that I have never been charged with or convicted of a felonious act; I have never been charged with or convicted of a misdemeanor involving a crime of moral turpitude; and I have never been a member of or contributor to a subversive organization. I have been actively involved in Republican politics and conservative educational and political undertakings, many of which would be viewed by some as controversial. In my opinion, none of these activities would provoke serious questions or critical charges as to my qualifications for the proposed reappointment. I am not aware of any circumstance that would provoke or create an embarrassment for the Administration.

Yours very truly,

James E. Lyon

FROM: JOHN G. ROBERTS *JGR*

SUBJECT: James E. Lyon's PDS

James E. Lyon is under consideration for appointment to the Board of Directors of the Federal National Mortgage Association (PA). The PDS was forwarded to him by Presidential Personnel on March 14; Lyon returned the form to Bob Tuttle on April 5. Lyon answered questions 1-15 and purported to answer questions 16-27 in a paragraph in his letter to Tuttle. Mr. Hauser considers Lyon's statement unresponsive to questions 16-20 and asked that I prepare a letter for your signature requesting Lyon to provide full answers to those questions. The attached draft requests full answers to questions 16-20 and 23-24, since I think Lyon's statement is unresponsive to questions 23-24 as well as 16-20.

Dear Mr. Lyon:

By memorandum dated March 14, 1984, I requested that you complete a Personal Data Statement in order that we may complete the clearance process for your prospective appointment to the Federal National Mortgage Association Board of Directors. The statement, required of all prospective Presidential appointees, consisted of responses to 27 questions.

You have provided detailed responses to questions 1-15 but not to questions 16-27. Your letter of April 5 to Special Assistant to the President Robert H. Tuttle concerning questions 16-27 is not fully responsive to questions 16-20 and 23-24. It is necessary for us to have complete responses to these questions before we can proceed with clearance of your prospective appointment. As I noted in my memorandum of March 14, your responses are not subject to public disclosure and will remain confidential. Since your appointment cannot be finalized until we have reviewed your answers to all the questions, please supply the missing information at your earliest convenience.

Sincerely,

I have reviewed the SF-278 and related materials submitted by Alberto M. Mr. Piedra is currently U.S. Representative to the Inter-American Economic and Social Council of the Organization of American States. He is also on leave of absence from Catholic University, and teaches a seminar there once a week, for which he is compensated.

I telephoned Mr. Piedra to discuss his relationship with Catholic University. He advised me that if confirmed he would discontinue all teaching activities and would receive no compensation from the university, other than payments due through September for the seminars he taught from January through April. He did not know if the university would be willing to continue his leave of absence status.

MEMORANDUM FOR FRED F. FIELDING

FROM: JOHN G. ROBERTS *JGR*

SUBJECT: Appointment of Enrico Mihich to the
National Cancer Advisory Board

I have reviewed the Personal Data Statement submitted by Dr. Enrico Mihich in connection with his prospective appointment to the National Cancer Advisory Board. By memorandum dated April 17, 1984 (attached), you reviewed the complex requirements for appointments to this Board for John Herrington. In particular, you noted that the Administration was confronted with a dilemma, in that we could not satisfy the statutory requirement that at least five of the Board members be knowledgeable in environmental carcinogenesis without violating the additional requirement that no more than 12 of the Board members be scientists or physicians. See 42 U.S.C. § 286b(a)(1). We decided to avoid the dilemma (to the extent possible) by considering one of the sitting members, Tim Lee Carter, M.D., a lay member and not a "scientist or physician," since his practice had been inactive for 16 years and he had been appointed as and always considered a lay member.

The April 17 memorandum cleared for appointment David Korn, Louise C. Strong, Gertrude Elion, Helene Brown, and Roswell Boutwell, on the explicit conditions that Herrington's office confirm that Strong, Elion, Korn, and Boutwell were knowledgeable in environmental carcinogenesis (a determination we are unqualified to make), and that whomever is appointed to replace Irving Selikoff also is determined to be knowledgeable in environmental carcinogenesis. Dr. Mihich is the individual who is to replace Irving Selikoff. He is the director of the Grace Cancer Drug Center and seems well qualified for the Board, although again I have no way of ascertaining if he is considered knowledgeable in environmental carcinogenesis. As with the other appointees to the Board, and indeed as with almost anyone active in this area, Mihich has several affiliations with National Cancer Institute supported entities. I have talked with Mihich and he is well aware of the need to recuse himself from any discussions affecting grants or organizations with which he is affiliated.

The attached memorandum from Herrington reiterates our earlier advice that Mihich must be determined to be knowledgeable in environmental carcinogenesis.

MEMORANDUM FOR JOHN S. HERRINGTON
ASSISTANT TO THE PRESIDENT
FOR PRESIDENTIAL PERSONNEL

FROM: FRED F. FIELDING ^{Orig. signed by FFF}
COUNSEL TO THE PRESIDENT

SUBJECT: Appointment of Enrico Mihich to the
National Cancer Advisory Board

Counsel's Office has reviewed the Personal Data Statement submitted by Dr. Enrico Mihich in connection with his prospective appointment to the National Cancer Advisory Board. I reviewed the requirements for appointees to this Board in my memorandum for you of April 17, 1984 (copy attached). Dr. Mihich is replacing Irving J. Selikoff on the Board, and in my memorandum I advised you that whomever was chosen to replace Dr. Selikoff must be "knowledgeable in environmental carcinogenesis." See 42 U.S.C. § 286b(a)(1). Our office is of course not qualified to determine who is or is not "knowledgeable in environmental carcinogenesis." Assuming that your office confirms that Dr. Mihich meets this requirement, we have no objection to proceeding with his appointment.
